

## Biological Sketch

Dr. Ganiyusufoglu received both his Bachelor of Science degree in 1979, and his Ph.D. degree in Mechanical Engineering (with a focus on machine tools and manufacturing technology) from the Technical University of Berlin, Germany in 1984, working as a research associate (Wissenschaftlicher Mitarbeiter) in the Institut for Machine Tools and Manufacturing Technology and Fraunhofer Institut for Production Technology and Design (IPK – Berlin), directed by Prof. Dr. Spur. Between 1985 and 1989, he worked at the German CNC lathe manufacturer Traub, as Head of Automation. In 1990 he joined Yamazaki Mazak Germany, and worked until 2005 as the Managing Director. He joined the German CNC lathe manufacturer Index-Werke in 2006, and moved to China as the General Manager of Index Dalian Machine Tool Ltd., which is a Joint Venture between Dalian Machine Tool Group and Index-Werke Germany. In 2011, he joined Shenyang Machine Tool Group (SYMG) Co., Ltd. in Shenyang, China. As a senior consultant to the Chairman of the Group, he supports the company in terms of strategy, globalisation and international cooperation.

Dr Ganiyusufoglu is a Visiting Professor of Mechanical Engineering at Tongji University in Shanghai and at CUEB – Capital University for Economy and Business, Beijing, China. Within the International Academy of Production Engineering (CIRP) he is representing SYMG as a Corporate Member. Since 2016 he is Chairman of the Corporate Members Advisory Group (CMAG). He has been a member of the German Engineers' Association (VDI). He is a recipient of the Best Labor Award of the City of Dalian, the Rose Prize of the City of Shenyang, and the Friendship Award of Liaoning Province in China and the Friendship Award of Central Government in Beijing, the highest award a foreigner can receive.
